

High Density Polyethylene

Distinctive craftsmanship at a budget price! This low maintenance product is an attractive and practical alternative to wood or foam. The 3/4" thick high density polyethylene (HDPE) is CNC machined and is available in a variety of color combinations. (Forest Green/White, Tan/Red, Blue/White, Red/White, & Forest Green/Tan) The easy to clean textured surface has a durable UV and fade resistant finish making it a practical choice for the outdoors.
